

Request Tags or Donate to The Giving Tree Program

Christmas is just around the corner and this year's "Giving Tree" Program, sponsored by the Society of St. Vincent de Paul, is under way. Signup for the program opened on October 3rd.

The "Giving Tree" program helps struggling households living in Carver, Lakeville, Middleboro, and Rochester. The program provides gifts of clothing and/or toys for eligible children, from newborn through high school. Gifts are also provided to local nursing homes and shelters whose residents are identified as being in need.

The Giving Tree program is community based and depends on local business and individuals to help sustain it. Area businesses support the program by requesting gift tags to display on a Christmas tree or may distribute tags to employees/patrons who choose to help sponsor a child by purchasing the gift item listed on a tag. Others opt to support the program by donating to the Giving Tree Program.

By joining the Giving Tree Program businesses and organizations will be helping to make Christmas a joyous time for the families who come to us for assistance. To request tags, or for more information, call the Giving Tree line at 508-658-0114. Donations may be sent to the Society of St. Vincent de Paul, P.O. Box 1381, Middleboro, MA 02346. Please note that the gift is directed to the Giving Tree Program in the memo space. We thank you in advance
